3 Step-by-Step Web Login Guide

AUTHENTICATION WORKFLOW

Logging into the admin dashboard on **skywalkholiday.com** is simple and streamlined for everyday operational staff:

1 **Navigate to the Login Portal**

Open your web browser and go to https://skywalkholiday.com/admin/login. You will be greeted by the SkyWalk Holidays branded login panel.

2 **Select Department Preset OR Enter Email & Password**

You have two quick options:

- **Quick Select:** Click any preset badge on the screen (e.g. *Master Admin* or *Tours Desk*) to automatically fill in the authorized credentials.
- **Manual Entry:** Type your assigned email and password into the input fields.

3 **Click "Sign In to Control Portal"**

Your credentials are authenticated instantly and you are securely redirected to the Admin Dashboard without cumbersome extra verification delays.

4 **Logging Out Safely**

When you finish your work, click the **Sign Out** button in the bottom-left of the sidebar or top header to terminate the active session.

4 How Admins Can Edit & Manage Holiday Packages

PACKAGE MANAGEMENT

Admins can edit 100% of the content for every tour package, including titles, prices, descriptions, day-by-day itineraries, inclusions, exclusions, and photos.

✨ **Authorized Roles for Packages:** Both the **Master Administrator** and the **Tours Desk Officer** have direct access to edit packages.

Editing Workflow:

1. Log into the dashboard and click the **"Holiday Packages"** tab in the navigation bar.
2. Use the search bar or category filters (*All, International, Domestic, Pilgrimage*) to locate the package.
3. Click the **Edit (Pencil Icon)** button on the package card. A detailed 5-tab editor drawer opens:

Tab 1: General Information BASICS

Edit package Title, URL slug, Destination, Duration (e.g. *4N/5D*), Badges (*Popular, Bestseller*), and Cover

Tab 2: Overview & Highlights MARKETING

Update the compelling promotional overview and add, edit, or reorder key tour bullet-point highlights.

Photo.

Tab 3: Day-by-Day Itinerary

SCHEDULE

Comprehensive schedule builder: Add new days, edit Day Titles, Activity Descriptions, Meals (Breakfast/Dinner), and Hotel stays.

Tab 4: Pricing & Inclusions

COMMERCIAL

Set selling price and original strikethrough price (auto-calculates discounts). Customize Inclusions & Exclusions checklists.

5 CRM Leads & Customer Inquiries Management

CUSTOMER MANAGEMENT

The system features an integrated CRM engine that aggregates inquiries from every channel across **https://skywalkholiday.com** into one actionable dashboard.

Inquiry Sources Tracked

OMNI-CHANNEL

- ✓ Holiday Package booking forms & custom quotes
- ✓ Flight deal reservation & fare requests
- ✓ Hotel booking & accommodation preferences
- ✓ Visa application & consultation submissions
- ✓ General "Reach Us" and contact form messages

Inquiry Lifecycle States

WORKFLOW

- ✓ **NEW:** Unaddressed inquiries requiring initial contact
- ✓ **CONTACTED:** Staff member has reached out
- ✓ **QUOTATION SENT:** Pricing & itinerary delivered
- ✓ **CONFIRMED:** Customer booked and payment verified

One-Click WhatsApp Integration: Clicking the WhatsApp button next to any lead automatically opens a chat with the customer's phone number and pre-populates their inquiry details for immediate conversion.

6 Security Recommendations & Best Practices

SECURITY & CARE

- ✓ **Credential Confidentiality:** Keep the Master Admin password restricted to company directors and senior managers only.
- ✓ **Department Delegation:** Encourage ticketing, hotels, and visa staff to log in using their respective department accounts to keep their views organized.
- ✓ **Regular Backups:** The system stores packages and data in structured database tables. Periodic backups ensure seamless disaster recovery.
- ✓ **Browser Security:** Always sign out when accessing the portal from shared or internet cafe computers.
